

CELEBRATE

Friday, January 29th 4-6 p.m.

Come see 3D printers, digital stitchery and paper & fabric arts and learn what you can make! Demonstrations & Collaboration will be in the Morris Library First Floor Rotunda.

Workshops will be held throughout the day in the Morris Library Room 408A See <http://libguides.lib.siu.edu/making> for a schedule & more details.

Continue the fun on January 30, 2016 as OpenSpace, a makerspace in Murphysboro, has its grand opening. There will be workshops and demonstrations. 80 Candy Lane, Murphysboro IL.
