

MFC-9340cdw

The Brother MFC-9340cdw is the perfect choice for small businesses looking for a fast, reliable digital color all-in-one. Enjoy the convenience of duplex printing plus single-pass duplex scanning and faxing. The MFC-9340cdw is packed with big business features like a 3.7" touchscreen display and wireless networking, but this affordable, compact all-in-one fits your small business workspace and budget. It prints and copies high-impact color and crisp black documents at up to 23ppm, so it's ideal for businesses with a primary need to print black business documents, but with the occasional desire to print professional-quality color documents in-house.
